

CALL FOR PAPERS & PARTICIPANTS

4th EIBA Early Career Network (EIBA-ECN) Paper Development Workshop (PDW)

*The 4th EIBA-ECN-PDW pre-conference event will be held at EIBA 2018 Poznań
on Thursday, December 13th!*

Dear Colleagues,

The **EIBA Early Career Network (EIBA-ECN)** was launched at the EIBA 2014 Uppsala conference, with a view to establishing a forum and cooperation platform for young EIBA scholars after obtaining their PhD. EIBA-ECN scholars are brought together to share ideas, build up networks with like-minded individuals, and discuss research projects – which could lead to cooperation & collaboration possibilities, among other positive outcomes.

Back by popular demand, this year's EIBA Annual Conference features the **4th EIBA Early Career Network Paper Development Workshop (EIBA-ECN-PDW)** on **13 December 2018!**

If you are interested in presenting your paper & receiving relevant feedback – or perhaps helping others to develop their research projects – please **sign up** for the **2018 EIBA-ECN-PDW** by sending an e-mail to the event organizers at: t.halaszovich@jacobs-university.de.

The extended deadline for paper submissions is: 1 October 2018.

Please attach a **PDF of your paper** to your e-mail – and indicate if you have also applied for any other PDWs: IBR, JIBS, JIBP – most pre-conference workshops are held in parallel.

The **EIBA-ECN-PDW** is targeted towards **young scholars** who have already obtained their PhDs (e.g., assistant professors, post-doctoral researchers, lecturers, etc.); therefore, only PhD students in their third or final year will be considered as eligible for this EIBA event.

ATTENTION: Those who would like to participate in the **4th EIBA-ECN Workshop** without making a presentation, please contact the organizers via e-mail by **3 December 2018**.

NOTE: Participation in the **EIBA-ECN-PDW** is free-of-charge for accepted applicants; however, all participants (including non-presenters) must be duly and fully registered for the **EIBA Annual Conference** (this is a mandatory eligibility requirement – no exceptions).

Looking forward to receiving your application & meeting you in Poznań this December!

With best regards,

Tilo Halaszovich (Jacobs University Bremen) & **Božidar Vlačić** (University of Vigo)
Organizers of the 4th EIBA-ECN Workshop
